

CareLink

Supporting independence in later life

Carelink offers a range of befriending and wellbeing initiatives, designed to support people over 65 who are struggling with the effects of loneliness and isolation. We aim to keep our clients healthy and independent in their own homes for as long as possible. In a typical year we:

**Support 500+
clients across
North
Staffordshire**

**Make 13,500+
keep-in-touch
phone calls**

**Host 170+
in-person
events and
activity groups**
